Although the contract specifies that the [REDACTED] was to be delivered prior to the [REDACTED] it is our understanding, based upon conversations between [REDACTED] that these two units will be delivered concurrently. We have also been advised by [REDACTED] of his desire to visit the plant in advance of their shipment to obtain indoctrination and familiarization with the operating characteristics of these units.

We anticipate that [REDACTED] will visit the plant around the middle of December, holiday and/or travel plans permitting. [REDACTED] planned visit coincides well with the availability of the equipment, since its completion has been delayed due to required replacement of a faulty component by one of our vendors.

Sincerely,

[REDACTED]
